

HACIENDA FLOOR TILE

Hacienda floor tiles are rustic by design and are the perfect floor tile for your rustic or southwestern style home. Our floor tiles give your home or office the comfortable feel of an old Spanish Hacienda. The authentic hand crafted tiles can be used inside or out and are an appealing way to add to the southwestern flavor of your porch or patio.

Hacienda floor tiles are available in a variety of shapes and sizes. Each tile is hand molded and crafted in the southwest using traditional methods. Because Hacienda Floor Tiles are hand made, each tile has a unique look and feel that would be impossible to achieve through machine-made methods. A variety of textures and color combinations are available to match your decor.

Use our Product Builder™ to select the perfect tile for your home.
